

Cody Re-Creation Day @ DIT

May 17th, 9am – 1:30pm

What is Cody Re-Creation Day @ DIT?

A group of highly motivated students, the Cody Youth Ambassadors, have been planning projects to beautify the grounds of the Detroit Institute of Technology.

Re-Creation Day @ DIT is an opportunity for community organizations to work side-by-side with the Cody Youth Ambassadors to implement and build projects identified by the students.

Projects Include:

- Tree planting
- Outdoor classroom build
- Outdoor chalkboard build
- Bench build
- Pallet planter construction
- Handicap raised beds
- Spiral garden
- Vertical planters
- Compost bins

There's Still Time To Get Involved!

Organizations and community members interested in assisting with Re-Creation Day @ DIT, contact Chad Segrist.
